

Welcome

Dear ARCNN Members and Friends,

Welcome to this special, extra edition of the ARCNN News.

We would like to bring the following items to your attention:

[International Conference On Nanoscience and Nanotechnology](#)

[ICONN 2008](#)

Ten days left until the Conference gets underway! Thanks to everyone who submitted an abstract and is planning to attend the conference. The program and registration brochure are up on the ICONN website. We have had over 700 registrants! Any further registrations will incur a late fee.

[Distinguished Lecturer Tour - Prof Horst Hahn](#)

Prof Horst Hahn will travel to 5 Capital cities giving various talks as part of his visit to Australia to participate in ICONN 2008. For details please visit http://www.ausnano.net/content/dl_hahn/

[ECR-PG Symposium](#)

ECR-PG symposium will be held on the weekend before ICONN 2008, at the Melbourne Business School. We encourage students and ECRs to register, as we still have spaces left. The MBS also has accommodation available for the symposium: Contact Dinesha Biyanvila on 03 93498402

The program is now up on the ARCNN website homepage, or can be accessed here:
